JV & V Boys Practice canceled for tonight

Blessings As we enter into 2012 let us remember to give thanks to God for the gift of Jesus in our life and in the life of our family. I think this is a good time for families to set a New Year Resolution that draws them closer together in their Faith life. (Maybe going together to the weekend Mass, saying a special evening time prayer together, asking the children how they shared Jesus' love at school, etc.)

Catholic School Week On January 29th we will have our family Sunday Mass together with the parish at 11:00. I am asking you to find a family to bring with you to Mass and then to the Open House at school. This would be a great way for you to share with someone else the school that you have chosen for your family. We would love to meet new families on that weekend. Please think about who you might invite.

Protecting God's Children St. Joseph's is hosting a workshop on Thursday, January 12th from 7-9pm in the Ministry Center. If you or anyone else is in need of meeting this requirement, now would be the time to reserve your spot. Call the school office & we will give the list to Sr. Linda.

Box Top\$ Education Thank you for sending in the coupons for this great fund raiser. You can also go on line to shop at www.btfe.com and then follow the directions to the school you want the earnings to go toward. Thanks Mrs. Colleen Lakomiak and the Parent Club for inviting all of us to be involved in this project. We just received a check of \$708.70. The next check will be issued in late April. I am wondering if we can get more Box Top\$ for Education collected so that we can top this last amount.

High Roller Tickets It is a huge goal that the committee is challenging all of us with. They would like to have EVERYONE have at least 3 tickets sold and accounted for by Feb 13/14th. If this goal is achieved, a big Pizza Family Night will take place shortly after Vegas Weekend. Please help us reach this goal! Tickets can still be sold after that but the hope is to get everyone reaching the three by mid February.

Vegas News You will be hearing a lot about the needs for this great event and huge fundraiser in the weeks ahead so stay tuned in to all that is needed to make this 20th year a super one. Do you realize that the money from this event helps keep the tuition at the level it is? It is this fundraiser that determines the amount of the next year's tuition. Wouldn't it be a blessing to raise so much money that tuition would only be increased by a small amount? If we all do our part for this event I think it could be achieved.

Parish Bulletin, etc. A special thanks to Paul Storer who keeps our school activities posted in the Bulletin and in the local papers. It is important that we share the good news with many people. If you have any other source you would like us to use for communication of activities please let me know. If you missed the last few Parish Bulletins you can find them on the parish website at www.stjosephbradley.org
